ComfortCase

The mobile office for professionals! Fits Notebooks up to 17“

ComfortCase is your perfect companion for travelling. The mobile office offers lots of storage room for documents, folders and such, and for Notebooks up to 17”. The padded Notebook compartment guarantees safe transportation of your Notebook. While documents can simply be stored in the two-part document compartment, ComfortCase also offers additional room for the transport of two large document folders. Holders for pens, markers and business cards are located on the inside of the case lid and on inside of the case itself. A mesh pocket with zipper holds more storage room for mobile equipment. CDs can also be transported easily in the specially designed pocket. The side pockets not only have a holder for mobile phones on the inside, but also a detachable diskette pouch. The padded carry handle makes for comfortable transportation. The high-class, lockable case locks as well the material mix of koskin and nylon make for a noble look. The integrated trolley system ensures especially comfortable transportation of your mobile office.
